Dear CONAHEC Partners and Colleagues:

Join leaders and practitioners of higher education, business and government sectors, and postsecondary students from Canada, the U.S. and Mexico as well as our partners in other world regions at the leading forum for thought and action about collaboration in higher education. The events assemble approximately 500 representatives of higher education institutions making this an excellent opportunity to reach decision-makers doing business in North American higher education. Hosted by one of the top universities in the country, our conference site will be right on the beautiful campus of Rice University,. This event is not to be missed if you are interested in helping guide the future of higher education and its interactions within the region and with its neighbors.

Exhibit space is limited and is offered first come-first serve. Register early!
