Information for Sponsors

November 2006

Dear CONAHEC Partners and Colleagues:

Join leaders and practitioners of higher education, business and government sectors, and postsecondary students from Canada, the U.S. and Mexico at the leading forum for thought and action about collaboration in higher education in the North American region and the world to help map our collaborative agenda! Both events are tri-lingual and tri-national and together will likely attract 550 or more attendees. It is the perfect opportunity to reach post secondary institution decision makers from all over the region. Hosted by the University of Quebec System, our conference site near the quaint and charming Vieux-Québec offers a historic setting for an interesting blend of past and present.
